VOLUNTEER OFFER

Rev and Go is administered by an independent charitable trust. It is operated on a day to day basis by and for its members, with support from approved adults. We expect to assist members gain a variety of skills during their adolescent years.

Our aims are the same as those in any youth work - to help young people to find their way from childhood to adulthood. The primary activities are riding and maintenance of motor bikes; other activities are also undertaken.

We operate a carefully planned child protection policy - important in promoting a sport that has inherent dangers, such as motorcycling. This includes a full CRB referral for every volunteer. Please provide the following information as part of your offer to be a volunteer:

CRIMINAL CONVICTIONS

In whatever way you offer to help the time given will be invaluable to the young people. We are instructed by law to ensure that all young people in our care are in safe hands at all times. We have to check the history of all volunteers. We now must ask you to reveal (in confidence) any criminal convictions that you may have suffered in your past - these have to be checked with the Criminal Records Bureau before we are allowed to give you access to our members (your children and those of your neighbours). I am sure that you will want us to do this with every volunteer (and thus with you) to make sure that your child is in safe hands.
